

JOBS

In this section you will find all you need to know about what trades are available, what jobs you can choose from, and what qualifications you will need. Army life is all about teamwork, fitness and friendship. It is not just a job, it is a way of life, and you will gain skills for all areas of your life. Once you have decided on a career path and want to get the application process started, you can [apply online](#).

The Army has two equally rewarding career streams; Officers and Soldiers. Both are available within the main job categories: Combat and Security, Officers and Management, Medical and Health, Engineering, Intelligence, IT and Communications, Hospitality and Logistics and Administration.
